

CORRINA HUNDLE

JUNIOR WED DEVELOPER

Personal Statement

I am competent with tools such as Visual Studio, GIT, Figma and Sketch, I remain poised when working towards demanding deadlines and faced with new challenges and I communicate effectively, with excellent problem solving capabilities. I am always eager to learn and build on existing skills. I am excited to start my career as a web developer using innovative technology.

I am a driven and creative individual with experience in digital marketing, customer service, sales and hospitality management. I pride myself on positivity and enthusiasm for the task at hand and I excel at collaborating with co-workers at all levels. I have a proven track record in delivering exceptional customer service, working confidently with Corporate, SME and Domestic clients.

I will soon graduate from the Generation Web Developer course that has given me fundamental practical skills and insights in many areas, including: HTML/CSS, JavaScript, Bootstrap and Node Js, as well as Frameworks such as React, and Express.

INTERESTS

I have traveled to many different countries, learning as much as I can about other cultures. That has helped fuel my passion for cooking and art. I love to draw and paint, experimenting with new mediums.

Keeping fit is very important to me, I have been practicing Yoga for several years regularly. I enjoy exploring the outdoors and getting lost in books.
